Dear Kathleen:

So very nice to get a note from you after such a long interval. Your letter sounds cheerful & I infer — you are well and happy. Many a day have slipped by since we have seen each other. It would give me so much pleasure to see you and Mrs Parlow again. Oh, if you are ever near Philadelphia or I, near Toronto let's make it a date.

My most affectionate greetings to you both

Your old friend

Dear Mother  
I am glad to hear from you  
and hope you are well.  
I am feeling better but  
am still a little weak.  
I will be home again  
in a few days.
